

On behalf of the Wamboin Community Association (WCA) we would like to extend a warm Wamboin welcome to you and your family and congratulate you on making the decision to join those of us already enjoying the rural-residential Wamboin lifestyle.

We believe that keeping our community's spirit flowing is essential to quality of life in our rural residential environment. None of us can do that alone, so this ***New Residents' Welcome Pack*** is intended to:

- create a "meet & greet" opportunity for residents to introduce themselves and the Wamboin community to their newly arrived neighbours
- inform new residents of social, community, sporting and other groups and organisations that operate in the area via the ***New Residents' Guide***
- facilitate and encourage new residents to join the Wamboin Community Association and;
- pass on useful hints about rural living.

This last point is addressed by the section entitled ***Helpful Hints for Life in Wamboin***. It contains tips and advice from long-term Wamboin residents to help you solve some of the practical and lifestyle issues we commonly face, and to help maximise your enjoyment of the rural-residential lifestyle Wamboin offers.

Two WCA Membership Applications are also in this Pack, along with a map of the Wamboin/Bywong area and a variety of informative resources.

We hope you find this welcome pack useful and would be happy to hear from you if you have ideas for improvement or inclusion in future editions.

Once again, welcome to Wamboin. We look forward to meeting you at WCA meeting or event in the near future and hopefully welcoming you as a member of the WCA.
